Welcome to the Summer edition of The Broomstick.

I would like to say thank you for all of the comments received from residents regarding our first edition. We have taken all of these on board and hope that you will continue to enjoy reading The Broomstick. Please do keep feedback coming in via email on

[broomstick@canewdonparishcouncil.gov.uk](mailto:broomstick@canewdonparishcouncil.gov.uk)

We are very pleased that all nine of our Councillors have been elected and we have a full Council to start the new year in May 2023.

It has been a busy month in May with bank holidays and celebrations for the Coronation of King Charles III with lots going on in the village which is lovely to see. We hope the warmer weather will be upon us soon as we move into the summer months.

We are pleased to have information from community groups and Canewdon Primary School within this edition of the Broomstick and welcome any information from any other groups or information you feel would benefit the community.

Best Wishes

Kathryn and The Broomstick Team

*Dear All,*

*A warm welcome to this edition of the broomstick, unfortunately ( or fortunately) this will be my last message in the broomstick as I have resigned from my post as chairman. It has been a very enjoyable few years but I feel it's time to hand the baton over. My successor is the wonderful Dot Locke, who since joining the CCA, has worked tirelessly, organising and running events for the whole community. I will remain on the committee of the CCA and take up my usual post as beer tent organiser for the fete. With Dot taking over as chairman, this leaves the position of Secretary vacant. If anyone can spare a little bit of time to take on this role please contact Tamsin (01702 257217) or Dot.*

*Summer seems to be slowly creeping in, and hopefully we can soon be enjoying the warm days and evenings, surrounded by the great countryside we are privileged to live in.*

*Please join me in wishing Dot all the best with her new position.*

*Best Wishes*

## **Chairman's report 2022/2023**

Another year gone; we have been busy.

Firstly, we had much celebration for the Queen's Jubilee, the whole village rejoiced in celebration to this wonderful lady. To honour this, we as a council donated a bench at the village pond for everyone to enjoy, we also donated pens, pencils, and key rings to the school and around the village. Sadly, we lost this wonderful lady, our joy turned to sadness. We arranged for books of condolence at Costcutters and St Nicholas Church; these have been sent to Buckingham Palace.

This year we engaged an Administrative Assistant to our team, Kathryn has been a great asset to us. We said goodbye to Alan who retired from our team as handyman, we would like to say a huge thank you to him for looking after our village for so many years. We have now engaged a handy person called Lucy, so if you see her around the village say 'Hi'.

We have now obtained a "bleed kit" this is sited at the village shop. This was a nationwide campaign and felt it may be useful to accompany the defibrillator.

As you are probably aware, the CCA were unable to continue to publish the "Broomstick ". This being a much loved part of the village, we at the council have taken it over; it is early days, but we endeavour to make it a success.

## **Chairman's report 2022/2023**

We have co-opted a new councillor, Tracy Turner; we welcome her to our team. We now have a full complement of councillors.

We were able to enjoy our buffet for the village in December 2022. It was 3 years since our last one; it was a great success! The children singing carols was lovely and was enjoyed by all. We had competitions, food, drinks and held a raffle which raised £194 for Pancreatic Cancer. We look forward to seeing you all again in 2023.

On Remembrance Sunday we were able to lay a wreath on behalf of the council, it was a great opportunity to meet Hayley our new vicar for the first time.

I would like to finish by saying a huge thank you to the Councillors who give up the time to help with the village.

I wish you all well, here's to the next year.

## The Coronation within Canewdon

Canewdon Parish Council were pleased to be able to celebrate the coronation of King Charles the III in a number of ways for our community. Being a small, close knit community, it is lovely that as a Parish we are able to celebrate special events within our history as a community and we are pleased that we are able to support the community via grants and commemorative memorabilia.

The school and pre-school children of Canewdon Primary School all received a commemorative medal provided by the Parish Council as a keepsake for the Coronation.

The Parish Council were also very pleased to provide a grant of £500 to the Canewdon Community Association for their Village Party which was used towards decorating the hall and providing raffle prizes. We are always keen to provide grants where possible and welcome applications which can be sent to our Clerk directly

The council have confirmed they will be planting two trees within our Village Green to commemorate both the Coronation and the late Queen Elizabeth II herself. This is planned for later in the year and we are very pleased that we will be planting both a hornbeam and flowering cherry which is also supported by Rochford District Council.

## **MAJER WINDOWS LTD**

5 Swaines Industrial Estate, Ashingdon Road, Rochford, Essex, SS4 1RG

MAJER Windows Ltd is a family run business that has been trading for over 25 years. We are based in Rochford, Essex but will manufacture and fit around Essex. We have a father and daughter fitting team and solo fitter that are very professional and tidy with their work.

We manufacture u-pvc and Aluminium windows and doors on site. However we also supply and fit u-pvc vertical slider, Timber doors and windows, conservatories and roofs in Polly carb, glass and tiled warmer roofs; lanterns and sky-pods and unit replacements. No job is too small for us so if you have any issues with existing windows, doors or conservatories we will be happy to come and take a look. We work along side many traders so if wanting a whole job done including building work, electrics or plumbing we will be able to include this in your quote.

We offer a free no obligation quote on all quotes for private or trade customers. We don't believe in a pushy sale, so you won't be bombarded with sales calls after a quote has been given.

You can find us on Facebook, Instagram or on our website if wanting to look at work completed or more information. But if all else fails drop us a call or a message and we are happy to answer any question you may have.

We don't have a show room, but you're always welcome to pop down and take a look at what we are currently manufacturing and a few samples we have in the office.

**From all of us at MAJER, THANK YOU!**

## **Canewdon Trust**

### **Vacancy for a Co-Opted Trustee**

The Canewdon Trust currently have a vacancy for a co-opted Trustee to assist in the responsibility for controlling the work, management and administration of the Canewdon Charities on behalf of the beneficiaries. The present board of Trustees have all lived in the Parish of Canewdon for a number of years and as a result, have a good knowledge of village activities and also have Interaction with many residents. These attributes plus trustworthiness, discretion and confidentiality are essential. If you feel that you have these qualities and would like to apply, please contact the clerk for an application form.

The Trust meet on the first Monday of every month.

Trustees are continuing to be very cautious with grant requests this year due to the general downturn of investments. In the short term, it is unlikely that the Trust will be able to support any grant requests from the Educational Foundation until further notice. In the meantime, if your request is due to sudden financial distress, please apply to the address below for help from the Poor's Charity.

In this edition of the Broomstick we are  
focusing on our newly  
developed RSPB nature  
reserve on Wallasea Island.

Part of Canewdon parish, it offers great opportunity for  
exercise and to see what nature has to offer, all on our  
doorstep. The map details the various walks some are  
shorter and some link up to form longer walks.  
The more ambitious of you who can manage a longer  
route, can see where Charles  
Darwin's HMS Beagle's last known resting place is .

There is a great app from Go Jauntly  
detailing the walk.

## Finding your way

### Jubilee marsh trail

Jubilee marsh and the sea embankment are formed of the soil that Crossrail brought in from its tunnel excavation in London.

Sea water entered the marsh for the first time in July 2015. The 2.4km permissive trail leads to Half Moon viewpoint at the south of the Island overlooking the River Roach where you may see seals. Dogs are not permitted on this trail.

### Allfleets marsh trail

Enjoy the large skies and landscape of the Essex coast as you walk along this 3.2km trail.

South of the footpath you will see Pool marsh created in 2015 whilst to the north you will see Allfleets marsh created in 2006. The trail runs all the way to the northeastern corner of the reserve at School House viewpoint. This public footpath is the only trail that allows dogs.

### Marsh flats trail

This permissive circular trail takes you past Grass Farm lagoon and Acresfleet lagoons, and then around the grazing marsh and wet grassland.

Water was let into the lagoons in autumn 2016 via a sluice in Allfleets marsh. The longer circular route is 4.4km and the shorter one is 1.5km. Dogs are not permitted on this trail.

### South trail

The South trail is a permissive route which links the south end of the Jubilee marsh trail to Marsh flats trail.

Due to the uneven nature of the seawall top, visitors should walk along at the bottom of the seawall but at various points there are good views across the River Roach to the south and the lagoons to the north. Dogs are not permitted on this trail.

### New pool trail

This permissive trail runs east to west across the middle of the reserve giving visitors excellent views of the southern lagoons.

Look across the adjacent grassland areas for hunting raptors in winter and singing farmland birds in summer. Dogs are not permitted on this trail.

### Beagle trail

This trail leads you to the viewpoint over the River Roach and the final resting place of the Beagle.

Dogs are not permitted on this trail.

## *Canewdon Community*

The CCA Village Party to celebrate the Coronation of King Charles III was a great success.

We had a really good attendance and, as you can see from the pics, both adults and children had fun. DJ Paul Waite kept them all on their toes with an assortment of games, musical chairs and limbo being just the start of it all.

## *Association Coronation Event*

There were lots of prizes to be won, in the form of Coronation memorabilia. We would like to thank Canewdon Parish Council for the £500 Coronation Celebrations grant which enabled us to offer the prizes and also to decorate the hall.

Due to popular demand we did have a raffle and this, along with several donations, raised a total of £127.

Thank you to everyone who came and supported us, to those who volunteered their time to help organise and set up/clear away and for all who donated to the raffle.

Dot Locke

## **Community Groups Update**

*It's lovely to see our Village Hall being used so often, I myself run various groups from the hall which might be of interest so here is some info on two of them.*

*Blessings, Layla*

**Sisters of the Earth Goddess Circle** has been running for 6 years & is a beautiful welcoming group for women of all ages. We celebrate sisterhood & the divine feminine in all her forms. Each month we discuss a different goddess & also the cycles & seasons of nature, living in such a wonderful village surrounded by farmland it's easy to appreciate the beauty around us. We have a meditation, make various crafts & finish our sessions with drum healing & drumming. It's a lovely way to connect to other women & take a few hours out every month to just relax & be yourself, a bit of self care works wonders. We organise coach trips to Glastonbury, Avebury & various sacred sites in the UK plus markets & celebrations. We meet at the Village Hall on the 1st Tuesday of the month, 7.30-10.30pm, doors open at 7.15.

Any questions or for more information please feel free to contact me on 07818505298.

## **Community Groups Update**

### **Tarot, Oracle & Rune Reading Circle**

Held on the 2nd Wednesday of the month, 7-9.30pm at the Village Hall, I set this group up so that my tarot & rune reading students had a nice relaxed evening to give readings to friendly people. And also that people who wanted a tarot, oracle or rune reading could come along & have readings with well trained readers. I am on hand to help with any questions on the night that might need a more in-depth explanation & complimentary teas, coffees & biscuits are provided throughout the evening. It's a lovely friendly group & anyone over 16 is very welcome to pop along..

**The Evergreens Club** enjoyed a fish & chip lunch to celebrate the Coronation & raised a toast to our new King. Although this was a happy occasion that all the members enjoyed it was also tinged with sadness as our previous long-standing Chairman Rosemarie Barker was not with us. Rosemarie passed away peacefully at home in December. She will be very much missed by her many friends in the village as Canewdon was her home from birth. What Rosemarie didn't know about Canewdon wasn't worth knowing.

She was Chairman of the Evergreens Club for over 20 years & was a great character. Her family owned the Anchor Inn & Canute House was just one of the beautiful homes she grew up in. Rosemarie was a much loved member of the Evergreens & she would be very pleased to know that the club is carrying on with myself as Chairman.

We meet every Wednesday, 2-4pm, we're a small very welcoming group & always looking for new members to join us. We organise day trips, play bingo, have speakers & quizzes & enjoy a good natter.

Carol FitzGerald - Organiser for The Evergreens Club

## **Canewdon Endowed CofE (VC) Primary School**

*Working with St. Nicholas CofE (VC) Primary School, Rayleigh*

**High Street, Canewdon, Rochford, Essex SS4 3QA**

I am delighted to have the opportunity to give you a school update via the new Broomstick. Many thanks to Canewdon Parish Council for taking over the publication for the community.

The whole school recently celebrated the Coronation of King Charles III. Our PTA provided Cream Teas and a lovely afternoon was enjoyed by the staff, children and their families. It was especially nice to see everyone in their red white and blue, and hear the children sing and play instruments to the National Anthem.

The summer term's class trips are well underway; Parrot class have already visited RHS Hyde Hall where the staff fully engage the children with their education programme. We would like to thank the Canewdon Educational Trust for their continued support to the school, providing grants towards the costs of the trips for parents, amongst other things.

Preparations are also in hand for other events later this term. We are proud to be part of the community, where the school commemorates its 160th Anniversary this year. If you'd like to share any school day memories with us, please do get in touch.

In the meantime, you're most welcome to book a tour of our school should you wish – we'd love to show you round.

Kind regards,

## Transport Matters

We have noticed quite a few heavy lorries over 7.5 ton using our weight restricted roads recently. This is ok if the lorries are visiting sites on such roads, Most of these vehicles/lorries are destined for Wallasea Island and need to access via Brays Lane not our village.

The Parish Council is willing to take up this issue as appropriate, but we need to have certain information to be able to do so.

If you see heavy lorries using roads that are weight restricted, please try to obtain as many of the following details;

Company name on lorry

Registration no.

Date & time of incident

Road name & direction of travel

Please then pass the information to the Clerk, either via our website [www.canewdonparishcouncil.gov.uk](http://www.canewdonparishcouncil.gov.uk)

# **We Need You!**

We are looking for volunteers to distribute the Broomstick going forward.

This would be one or two roads within the village four times a year.

Please contact the council at  
[broomstick@canewdonparishcouncil.gov.uk](mailto:broomstick@canewdonparishcouncil.gov.uk)  
if you can help.
